

Poster Size: A3 (landscape preferred)

Use the above Logos

1. Header

- Startup / Idea Name
- Tagline (1 short sentence)
- Team Members & and Faculty Name

2. Problem Statement (Why?)

- The key problem or unmet need your idea addresses.
- Who faces this problem (target users)?
- If needed Use short text + a visual or icon.

3. Innovation / Solution (What?)

- Your product or service in simple terms.
- What's innovative or different about it?
- Add an image, sketch, or diagram to illustrate.

4. Customer Value Proposition

- One clear statement:
“We help [target customer] who face [problem] by providing [solution] that delivers [benefit].”
- Can include a simple Customer value canvas.

5. Business Model Canvas Snapshot

- Use the Business Model Canvas Template

The Business Model Canvas

Key Partners 	Key Activities 	Value Proposition 	Customer Relationships 	Customer Segments 
	Key Resources 		Channels 	
Cost Structure 			Revenue Streams 	

✦ **Design Guidelines**

- **Use visuals over text:** icons, illustrations, or flow arrows.
- **Max text:** 150-200 words total.
- **Colors:** Limit to 2–3; ensure readability.
- **White space:** Keep it clean and airy.
- **Font sizes:** Headings 28–36 pt, body 16–20 pt.
- **Orientation:** Landscape (preferred).
